RESPECTFULLY tenders his professional services to the citizens of upper Missouri and the Kansas Territory. Having carried on an Eye infirmary for several years past in Platte city, Mo., and having treated a large number of patients with almost every description of diseased Eyes, he flatters himself that he will be able to give satisfaction to all who may desire his services. cured at his establishment is compararatively small when traveling and other expences to St. Louis or anyother distant point are considered. Persons having children laboring under longconcontinued scrofulous disease of the Eyes are most positively assured that they can get them cured at his infirmary. Dr. Brown would, also, most respectfully invite the attention of the medical profession throughout the country to his establishment, and if cases of diseased Eyes should spring up in their practice that can only be treated successfully at an eye infirmnary he would be much pleased to have them recommended or sent to his. If any further information is wanted, call on Capt. Eastin, or W. H. Adems, at the Herald office.

LUCIAN J. EASTIN, EDITOR

LEAVENWORTH, FRIDAY, DECEMBER 8, 1854.

Parkettle Luminary.

A labored article over the imposing head of "Newspaper movements," appears in the Luminary of the 31st October in which an account is pretended to be given how we left the St. Joseph Gazette and became connected with the Kansas Herald. The paper containing the article was mislaid, or we should have noticed it some time since.

The editor of the Luminary pretends to be in the secret movements and operations that brought about such (to him) a wonderful change. Without enquiring as to how he obtained his information, we can simply inform him, he has been deceived, as he was about a certain speech made last summer in Savannah. We thought after the castigation he received for that misrepreresentation of a gentleman of his own party, he would be more careful in the future.-But some men never learn wisdom from experience. Besides an "eves-dropper," prying into other men's affairs, never can understand the truth, but always give a false

coloring to what they do hear. We sold out our interest in the St. Joseph Gazette, simply because we wanted to dissolve the copartnership then existing. We bought one-half of the Herald because we had the money, and believed it to be a good investment. All the Luminary has to say about the caucus arrangements, so more than those coming from any other far as we are concerned, are simply untrue. What we have done in either paper, has

been of our own voluntary choice, and with

our own means.

Our views on the Nebraska Kansas bill, were clearly defined in our valedictory to the patrons of the Gazette. That bill simply gives to the people of the Territory the right to manage their own affairs. If this is getting off the National Democratic Plat- ritory? Is it he who comes here, marks where does the Editor of the Luminary stand? with Fred. Douglass and his co-ad-

Fatal Accident H O'NEIL, both of from Weston in a at a short distance from the above the boat struct a snag, and immediately sunk. One of the men went down immediately and the other grasped a snag. but before assistance was rendered, he sunk. Thus have two of our most worthy itizens been taken from our midst. They came from New York to settle among us, but have found a watery grave in the Missouri. Mr. Noble leaves a bereaved family to mourn his loss. Quite a number of our citizens turned out to look for them .-But the bodies have not as yet been found. Any person finding them will confer a great favour upon their friends and relatives by giving information or bringing them to this place. Mr. Nonte is a short thick set man, 28 years of age and wore at the time of the accident a blue over coat, blue pants and black vest, he wore a gold watch and chain, and had sleeve buttons with the initials of his name. The other wore light over coat, plaid pants and check shirt.

West Horald The Western Dispatch-Gov. Resder. MESSRS. EDITORS:-

The wiseacre who pre-sides over the editorial columns of the Dispatch in the last number of that paper, takes occasion to denounce the Executive of this Territory, because in his proclamation for the election for delegate to Congress, he gave instructions to the judges of the election, as to the course they should pursue in the event of their not being satisfied that persons offering to vote were residents of

the territory. He complains that in his proclamation &c., the Governor had "shown himself hostile to the settlers of Kansas-from Missouri especially." We were not aware before that Gov. Reeder was sent here to guard the interests of the settlers from Missouri, state. We did not know before that "they constitute the best citizens of the territory, that they are more industrious, enterprising, liberal, intelligent or orderly, law loving and law abiding, than persons coming here from Ohio, Pennsylvania, Virginia, Illinois, Iowa, or indeed any state of this Union, all of whom have the same rights upon the soil of Kansas, that the Dispatch intimates belongs to Missouri.

And who is an actual settler of this ter-
